### **Introduction**

Integral Skills is a Registered Training Organisation (RTO number 45528) registered with the Australian Skills Quality Authority. Integral Skills is proud to offer training in CPCWHS1001 prepare to work safely in the construction industry.

### **Course Description**

This course provides learners with the skills and knowledge required in preparation to working safely in the construction industry.

Learners will understanding of:

- Legislative framework
- Hazards and Risks
- Construction Industry knowledge
- Accidents and Incidents
- Site Safety

This course is essential for people who are required to work in the construction industry.

### **Mode of Delivery**

Delivery of this course will be trainer led and delivered face-to-face in a classroom setting combined with practical elements of fitting common PPE.

### **Clothing Requirement**

Learners must wear enclosed footwear.

Where a learner does not wear enclosed footwear they will not be able to participate in the course due to work health and safety concerns.

### **Assessment Summary**

The assessment in support of the unit of competency requires the learner to complete a written knowledge assessment, answer verbal questions and demonstrate the correct fitting of specified PPE while being observed by the assessor.

The learner must answer all the written knowledge questions correctly. There is the opportunity for this knowledge assessment to be conducted verbally if the learner requires this level of support.

### **National recognition**

On successfully completing the training and assessment you will be issued a Statement of Attainment issuing you the unit of competency: CPCWHS1001 Prepare to work safely in the construction industry.

Documentation will be submitted to SafeWork NSW who will then issue the construction induction 'White Card'.

### **Course Materials**

Learner training is supported through the provision of quality learning materials and resources. Learners should attend the course in comfortable appropriate clothing. All equipment and consumables are supplied as part of the course.

### **Pre-Requisites/Entry Requirements**

- There are no pre-requisites for this course identified within the industry training package.

Integral Skills do require learners to meet the following local entry requirements:

- Learners must be aged 14 years or older.
